5. [] On the advice of Mrs. Kathie Worthington, Personal Secretary to Representative L. Mendel Rivers (D., S. C.), I did not attempt to see Chairman Rivers this morning. Full committee meeting and problems relating to the Military Construction Bill on the floor have pre-empted his time during the day.

6. [] Met and briefed Representative Porter Hardy, Jr., (D., Va.) concerning the Soviet Swing-Wing Aircraft displayed at the Moscow Air Show.

7. [] Received from Mr. John R. Blandford, Chief Counsel, CIA Subcommittee of Armed Services, a newspaper clipping alleging that a road is supposedly being built to link the Soviet Union and Vietnam. After checking with DDI, I advised Mr. Blandford we knew of no such road where U.S. and Soviet personnel are working.

8. [] Met with Mr. Robert E. Dunne, Assistant Counsel, Senate Permanent Subcommittee on Investigations and Mr. John Jennings and discussed with them a 20 July memorandum entitled "New Soviet Aircraft at the Moscow Air Show". Mr. Dunne was most appreciative of the Agency's response to the request of the Subcommittee's General Counsel, Jerome S. Alderman. He also noted that the Chairman, Senator John McClellan (R., Ark.), may desire a personal briefing on this matter but nothing is firm as yet on this.

9. [] In the absence of Senator Robert P. Griffin (R., Mich.), met with Mr. Joseph C. DeWeese, Executive Secretary and Mr. John Crowley, Administrative Assistant to Senator Griffin, as a follow-up to the Director's invitation for August 9. It was suggested that I stop by any time during the day tomorrow and that the Senator's schedule at the moment is somewhat flexible.

10. [] Mr. William Woodruff confirmed that the CIA Subcommittee of Senate Appropriations would be meeting on Thursday, 3 August 1967, at 2:30 p.m. on the Agency budget.
